## Folk Dancer

2013 June - 2023 January

*Traditional folk song and dance group "Masunq" after Rudik Haroyan*

The ensemble motto was: to rebuild the roots of Armenian traditional song and nonetheless traditional dance and to introduce it to the public, spread throughout all Armenian regions and in Artsakh.

"Masunq" occasionally participates in various festivals, National and International contests, TV projects and has been granted diplomas.

"Masunq" regularly performs in many large and small cities of our motherland Armenia and Artsakh, especially in the villages which are the frontier and always under the fire of Azerbaijan.

## Additional information

---

I also have a portfolio where you can get to know my works in more detail.

I can also send the link to the github where I keep my work done with React

## Interests and Hobbies
